2025/26 Fall-Winter Conference Sponsorship Opportunities

- November 13, Regenerative Solutions for Resilient Landscapes
- December 4th, Season's End Summit
- February 4-5th 2026, Annual Conference & Eco-Marketplace

Interested in being a conference sponsor? We offer three different sponsorship levels. All sponsors receive a table to exhibit at the conference, if desired.

Bronze Sponsors (\$750) receive two complimentary registrations to attend the conference and a Silver level listing in our [new Eco Marketplace](#). Sponsor logos will be displayed on the event webpage, included in communications to attendees, social media posts, and displayed throughout the day during breaks between sessions.

Silver Sponsors (\$1500) will receive all Bronze Sponsorship benefits, including two complimentary registrations to attend the conference and a Gold level listing in our [new Eco Marketplace](#). Additionally, Silver Sponsors will receive one free banner ad in an upcoming ELA Bulletin. Sponsor logos will be displayed on the event webpage, included in communications to attendees, social media posts, and displayed throughout the day during breaks between sessions.

Gold Sponsors (\$2500) will receive all Silver Sponsorship benefits. Additionally, Gold Sponsors will receive a one-year complimentary company-level membership, a Platinum level listing in our [new Eco Marketplace](#), and an opportunity to address the audience during the conference. Sponsor logos will be displayed on the event webpage, included in communications to attendees, social media posts, and displayed throughout the day during breaks between sessions.

New sponsorship opportunity this year! Platinum Sponsors (\$5000) will receive Gold Sponsorship benefits for all our Fall/Winter conferences mentioned above and the opportunity to receive a table to exhibit at all events.

Contact Mae Lin Plummer at maelin@ecolandscaping.org for questions or to enroll.
